

July 2025

MOEN CARTOON COURSES

AND WE'RE OFF!

Over the past two months, we've been holding cartooning classes at one location in Seymour, and two locations in Maryville. Our classes have served kids, teens, and adults, and we've put on so many fun promotional events, we've lost count! Our students are having a blast drawing their favorite cartoon characters and learning the fundamentals of drawing. One of the unexpected (and awesome) things we've observed is the interest and fun that families have in drawing cartoons together.

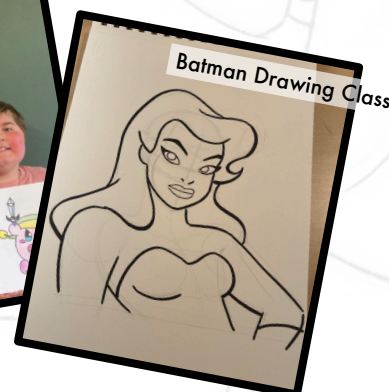

OUR JULY CLASSES!

Moen Cartoon Saturday classes are for all ages, and are beginner level. Tim will guide everyone in learning to draw cartoon characters one step at a time. The class will be held at The Golden Age 1942 (comic book store) in Maryville. Details for pricing (which now features overall lower prices, and discounts for adding family members) can be found at <https://www.moencartooncourses.com/course-catalog-registration>.

Secondly, we've been holding a Tuesday night class for how to draw characters from the classic hit cartoon show, "Batman: The Animated Series." In July, this will become a Saturday afternoon class that you may now register for on our website. This class is also open to all ages, and is an intermediate level class with a focus on drawing the faces/busts of these characters.

We'd love to see you at our next classes!

TWO FREE
UPCOMING EVENTS

This July 17th, we will be participating in the Downtown Maryville Alliance's "Third Thursday" Celebration of the Arts for the third time in a row. Please follow us on Facebook/Instagram as we will announce our event location for July on those platforms. In May, we were hosted by Clear's Tai Chi, and in June we had a sizable crowd at Vienna Coffee Co!

Also, the Blount County Public Library (BCPL) will be putting on its annual "Mini-Con", where Moen Cartoon will be giving a free demo class. The details of our involvement with this event will also be forthcoming on social media and our website. "Mini-Con" will be held on Saturday, July 26th, and will feature comic book, and "comic-book-adjacent" businesses and fan activities.
